Upon completing registration and writing your letter of intent:

Mail both forms to: Mad Maggie's Ice Cream, 1025 Osgood Street, North Andover, MA 01845 or fax it to 1-800-906-7221. We will contact your advisor to confirm the event once we verify that your information is accurate, and that the requested night is available. No confirmations will be made until all necessary forms are completed and received by Mad Maggie's.

Mad Maggie's reserves the right to deny fund raising requests from any group or organization that we feel promotes hate or bias, or to any group which discriminates based on race, religion, gender, sexual preference, or disability.

No more than two applications from any one group accepted in a single school year. In the event that two groups request the same night, the organization submitting their completed application first will have the choice of keeping that night or moving their event to another.

Groups within the same school can combine as advisors see fit. (Donation check will be made out to the school, with the school to allocate funds to the participating groups as appropriate.) No applications will be accepted after February 1st, 2009.
